IMPORTANT INSTRUCTIONS:

- 01. The rate quoted should be per trip/per km for insulated vehicles.
- 02. The rate quoted should be Inclusive of toll gate, parking fee, Road Tax, Insurance, Labour cost, Fuel Cost and other expenses if any keeping the entire contract period in mind.
- 03. The vehicle has to distribute Milk & Milk products and other allied products in different distribution points which may increase from time to time.
- 04. This agreement is valid for a period of 03 (Three) years, commencing from.....to..... subject to the transporter maintaining insulation and abiding by the terms of the contract. The agreement period shall be extended or reduced as per the discretion of the Federation.

(a)The Transporter shall operate the vehicle as per requirement of the Federation at any time as per the quoted price in the tender which is linked with current diesel price at _____(Dairy name corresponding City) i.e. Rs...../- (Rupees.....only) per liter which will increase or decrease Pro rata basis on every change of retail diesel price at _____ Dairy . Such increase or decrease in freight charge will be admissible subject to claim of the transporter along with supporting documents i.e. proof of change in diesel price and bills thereof. For change in retail diesel price at _____ the consumption of diesel for different carrying capacity of the vehicle will be considered as below.

Carrying capacity of vehicle (insulated) (MT)	Certified Kilo Meter per Ltr. of diesel
<700	25
701 TO 1000	18
1001 TO 1200	12
1201 TO 1500	10
1501 TO 2200	9
2201 TO 2700	8
2701 TO 3000	7
3001 TO 3500	6
>3500	5

- One km more will be considered for non insulated vehicle for above categories.

Ex: The basis of calculation for change in transportation rate due to hike in diesel price for 2700 ltr insulated vehicle is as below.

Route length/8 Km x hike of diesel rate + Quoted Price = Revised Transportation Cost

The same procedure will also be adopted for any decrease in diesel price.

Effective Date- The revised fuel price will be considered on the basis of increase/ decrease average fuel price on fortnight basis of concern Dairy.

(b) The Tender running km. is the tentative km. In case the running km increase /decrease then cost of fuel excess consumed / less consumed shall be reimbursed/ deducted on the quoted price. The calculation is as below. The route length can be verified by the route In-charge (RIC) or other designated offices from time to time.

Excess km plied x Rate of diesel

Fuel consumption per lit.

(c) The Transporter shall not claim any hike in transportation rate during the tender contract period.

- 05. The Federation shall at any point of time make necessary/ rescheduling of the route allotted in favour of the transporter as mentioned herein keeping in view its business requirement and convenience. On such change/rescheduling of the route, the agreed freight shall change accordingly based on prevailing rate offered by the Federation as mentioned herein.
- 06. The Transporter shall have to comply the statutory requirements in respect of men and machine (vehicles) deployed by him for performance of the contract as provided under various Acts and Rules like ESI,EPF, Factory Act, minimum wages Act and OMV Act. & have insurance and ensure that staffs deployed by him are well versed with the provisions of the OMV Act as well as road traffic.
- 07. Complete **Branding** of the engaged vehicle need to be made by the selected bidders at their own cost as per the specification of Omfed before engagement of the vehicle. (Branding design will be provided by OMFED).
- 08. The transporter shall intimate any change of staff and the vehicle whenever so necessitated either on instruction from the Federation side or due to business requirement of the transporter. The transporter shall also ensure that the statutory requirements under various Acts and Rules are complied while making such changes.
- 09. The Transporter will be fully responsible for the loss sustained or damage caused to men and materials of the Federation or third party by the vehicle or personnel deployed by the transporter and indemnify for such type of losses/damages. The transporter shall also arrange for immediate replacement of the alternate vehicle in the event of accident of the vehicle deployed by him after intimating both orally and in writing to Head of Marketing Division and ensure that the service is not affected due to such accident / other reasons.

10. As per the rules of OMFED prevailing at present, the transporter have to submit bill in triplicate for 1st to 15th day of a month within 07 days (by 22nd) & the bill for 16th to 30/31st day within 07 days (by 7th) of the next month so that the bills of all the transporters are processed in time . The bill should be submitted along with a certificate from the route –in-charge in the prescribed format. The bill from 1st to 15th shall be paid within 30th of the month and 16th to 31st shall be paid by 15th of subsequent month. The Printed bill should contain PAN No, Name of route, Type of Vehicle & Vehicle Regd. number etc, as per our prescribed format. The transport bills will be paid after deduction of Income tax, recovery of all Omfed dues & Penalties if any. If the bill is not received in time, it will be considered for payment, during processing of bills of all the transporters in the next month. Payment will always be made through account payee cheques in the name of our approved Transporter only or credited to their S/B account as fund transfer.
11. The transporter shall engage the vehicle in good running and road worthy condition. The vehicle staff deployed by the transporter should possess adequate knowledge on prevailing Rules and Regulations applicable for operation of transport vehicles. The transporter shall ensure that the vehicle staffs are well mannered and courteous in their approach. There shall be no employer and employee relationship between the Federation and, Transporter and /or its staff. The Transporter shall provide the identity of the staff to be engaged beforehand to the Federation.
12. Quarterly inspection of Transporters' vehicle insulation shall be conducted by the Committee (consisting of Marketing In charge, Quality Control in charge, Production In charge & Transport In Charge of the concerned Dairy) to confirm proper insulation including the carrier floor. In case of any damages / shortcomings, the transporter shall be allowed maximum of 15 days from the date of intimation for undertaking the repair of the insulation, and deploying back the vehicle in his respective route. In case of failing to repair the insulation within 15 days, 90% of the transporters subsequent bills shall be paid, till his intimation of repair of insulation of the vehicle to the Plant Manager, and subsequent verification report produced by the above Committee to the Plant Manager.
13. In case of exigency like break down/ repair of the insulated vehicle maximum 7 days time will be allowed for placement of non insulated vehicle, for which transporter shall be paid 90% of the transporter's subsequent bills. In case the transporter does not deploy insulated vehicle even after 30 days of break down, OMFED reserves the right to cancel the contract/ order & engage insulated vehicle of other transporter in the said route through limited/short tender for ensuring supply of good quality milk & milk products to customers.
14. Either party shall have the right to terminate this agreement by giving at least 3 (Three) months prior notice in writing. Since Omfed has been declared as Essential Public Utility Service, in the interest of the Public, by the State Govt, Transporters can disengage their vehicle only after serving three month notice as per contract clauses. But they will have to operate in the route in the approved rate till any alternative arrangement is made by Omfed for continuance of milk supply to the market/ customers.
15. The Transporter shall ensure that its staff are not of criminal background, and do not have any pending criminal proceeding against them. In the event of any deviation, the Federation shall have the right to debar the staff from its activities and on intimation; the transporter shall have to discharge them off from their work immediately. The agreement shall stand terminated in the event of any unpleasant situation created by the Transporters and /or his staffs inside and /or outside the dairy premises, and the security deposit /EMD be forfeited besides imposition of further penalty.
16. The Federation shall debar the transporter and its staff from entering into the operational area/premises of the Federation if it is so suspected or found involved in the activities like theft, fraud, dishonesty and unholy nexus with the security personnel or corrupt officials of the Federation and misbehaving with the officials of the Federation.
17. The Federation shall recover the cost of losses and damages caused/ sustained arising out of such type of above mentioned activities besides penalty from the pending claims of the Transporter. The penalty shall be 10 times of losses or damages in the event of theft/loss up to 10 pkts. (1/2 litre each) and the penalty amount be as will be decided by Managing Director, OMFED if the theft/loss so exceeds more than 10 packets.

For change in retail diesel price at _____ the consumption of diesel for different carrying capacity of the vehicle will be considered as below.

Carrying capacity of vehicle (insulated) (MT)	Certified Kilo Meter per Ltr. of diesel
<700	25
701 TO 1000	18
1001 TO 1200	12
1201 TO 1500	10
1501 TO 2200	9
2201 TO 2700	8
2701 TO 3000	7
3001 TO 3500	6
>3500	5

- One km more will be considered for non insulated vehicle for above categories.

Ex: The basis of calculation for change in transportation rate due to hike in diesel price for 2700 ltr insulated vehicle is as below.

Route length/8 Km x hike of diesel rate + Quoted Price = Revised Transportation Cost

The same procedure will also be adopted for any decrease in diesel price.

Effective Date- The revised fuel price will be considered on the basis of increase/ decrease average fuel price on fortnight basis of concern Dairy.

(b) The Tender running km. is the tentative km. In case the running km increase /decrease then cost of fuel excess consumed / less consumed shall be reimbursed/ deducted on the quoted price. The calculation is as below. The route length can be verified by the route In-charge (RIC) or other designated offices from time to time.

Excess km plied x Rate of diesel

Fuel consumption per lit.
