ENGAGEMENT OF DIFFERENT CARRYING CAPACITY VANS
FOR TRANSPORTATION OF MATERIALS FROM BHUBANESWAR DAIRY TO
OTHER DAIRIES

- (a) The Trip rate (Basic Rate + GST as applicable) be quoted in the given format for vans of different carrying capacity for each routes.
- (b) The Transporter will have to indicate the rate of Diesel on the date of submitting offer. The offered rate will be increased/ decreased , by Omfed on pro-rate basis, only on the basis of increase/ decrease in the rate of diesel from the date of such change by Govt & as applicable on the date for Vans engaged in omfed duty. It will be calculated once in a month, only during settlement of monthly bills. The format of Pro rate is shown in attached annexure - 1. No compensation on change of Price of Lubricants, Tyres, Tube, Flaps, Spare parts & etc shall be allowed.
- (c) The Xerox copy of GST registration certificate may be attached with your offer.
- (d) Omfed reserved the right for further negotiation of rates with the L1 party after opening of the sealed offers. Although the quoted/ negotiated rate will be increased/ decreased on the basis of change in Diesel price ,the basic rate will not go below the rate of original offered/ negotiated rate.
- (e) EMD/ Security:- The bid without Tender cost Rs.560/- & EMD of Rs.20,000/- shall not be accepted. The EMD of the un-successful bidder shall be released soon on finalization of Order. The EMD of the successful bidder shall be converted to Security & refunded on successful completion of Contract period. No interest is payable on the Security.
- (f) The payment of bill shall be released once in a month within 15 days of the next succeeding month against submission of GST bill in duplicate, enclosing the acknowledgment of the consignee towards safe receipt of the materials. Payment shall be through RTGS/NEFT to the bank A/C of the party.
- (g) Although the consignment would be covered under the Marine Cargo Insurance Transit Policy of Omfed, still the Transporter should take utmost care for safe delivery of the materials at the destination. Any theft/damage in transit will be treated as fault of the Transporter & Omfed will recover the cost with penalty from any due of the Transporter.
- (h) Any other material of any other organization should not be loaded with Omfed items. Similarly, the Transporter will be solely responsible for lifting of any other hazardous items or men of forbidden organizations, while carrying out Omfed assignment.
- (i) If the shortage or damage of materials in transit are observed in any trip , it will be treated as fault of the Transporter and the claim of Omfed towards the cost of the short supplied / damage item will be recovered from the Transporter or deducted from their security deposit or pending bills. It will have no relation with our claim under our Marine Cargo Insurance Transit Policy. So at the time of loading the Transporter should depute their representative to properly check the quantity of each item loaded for dispatch. Any controversy, raised at later date will not be entertained.

(j) It is the risk & responsibility of the transporter to ensure that all the vans provided for Omfed duty must have valid Regn , Insurance, Fitness, Road permit, DL of the driver & pollution certificate, in order to avoid delay or dentition on the way due to such reasons. The Transporter will be responsible for any claim/ penalty by any authority on the way due to lapses of required formalities for the van.

(k) If the van loaded with our materials suffers break down or accident or detained by any authority on the way, the Transporter will have to immediately arrange alternative van at his cost & risk, for safe delivery of our items in the destination.
