13.3 The EMD of the technically disqualified Bidders shall be returned after declaration of the list of such technically qualified Bidders in the portal. The EMD of other unsuccessful Bidders shall be refunded after signing of the Agreement with the Successful Bidder. The return of the EMD shall be in the form of bank transfer to the account of the Bidder through the e-procurement portal of the Government of Odisha.

13.4 The EMD of the Preferred Bidder shall be returned upon the Preferred Bidder furnishing the Performance Security.

14.0 Period of validity of bids

14.1 Bids shall remain valid for 180 days after the date of bid opening, stated in the cover page/ tender notice. A bid valid for a shorter period may be rejected by the OMFED as non-responsive.

14.2 In exceptional circumstance, the OMFED may solicit the bidders' consent to an extension of the period of validity. The request and the responses thereto shall be made in writing. The bid security provided under clause-13 shall also be suitably extended. A bidder may refuse the request without forfeiting its bid security. A bidder granting the request will not be required nor permitted to modify its bid.

15.0 Format and signing of bid

15.1 The original bid shall be typed or written in indelible ink and shall be signed by the bidder or a person or persons duly authorised to bind the bidder to the contract. The latter authorization shall be indicated by written power-of-attorney accompanying the bid. All pages of the bid, except for amended printed literature, shall be initialed by the person or persons signing the bid.

15.2 The bid shall contain no interlineations, erasures or overwriting except as necessary to correct errors made by the bidder, in which case corrections shall be initialed by the person or persons signing the bid.

D. Submission of bids

The bid document shall be deposited through online portal at <https://tendersodisha.gov.in.>

17.0 Deadline for submission of bids

The bid document shall be deposited up to **17.12.2025 up to 2.00 PM** through online portal at <https://tendersodisha.gov.in.>

- 17.1 Bids must be received by the OMFED at the address specified in cover page / tender notice not later than the date and time specified for receipt of the bids as indicated in cover page / tender notice.
- 17.2 The OMFED may, at its discretion, extend this deadline for the submission of bids by amending the bidding documents in accordance with Para 7, above in which case all rights and obligations of the OMFED and bidders previously subject to the deadline will thereafter be subject to the deadline as extended. The notice will be published at OMFED website only.
- 18. Late bids**
Bids received after the deadline for submission of bids will be rejected or returned unopened to the bidder. OMFED shall not bear any responsibility for late delivery of bids submitted by post.
- 19. Modification and withdrawal of bids**
- 19.1 The bidder may modify or withdraw its bid after the bid's submission.
- 19.2 No bid may be withdrawn in the interval between the deadline for submission of bids and the expiration of the period of bid validity. Withdrawal of a bid during this interval shall result in the bidder's forfeiture of its bid security.

E. BID OPENING AND EVALUATION

20.0 Opening of Bids by OMFED

- 20.1 The OMFED will open bids, in the presence of bidders' representatives who choose to attend, at the time and date specified in the Tender notice, at the office of the ORISSA STATE CO-OPERATIVE MILK PRODUCERS' FEDERATION LTD., D-2, Sahid Nagar, Bhubaneswar-751007, Orissa, India. The Bidders representatives who are present shall sign attendance sheet evidencing their presence during the bid opening.
- 20.2 The Bidders' names, bid prices, modifications, bid withdrawals and the presence or absence of the requisite bid security and such other details as the OMFED, at its discretion, may consider appropriate will be announced at the opening.

21.0 Clarification of bids

- 21.1 To assist in the examination, evaluation and comparison of bids the OMFED may, at its discretion, ask the Bidders for a clarification of its bid. The request for clarification and the response shall be in writing.

22.0 Preliminary Examination

- 22.1 The OMFED will examine the bids to determine whether they are complete, whether any computational errors have been made, whether required sureties have been furnished, whether the documents have been properly signed, and whether the bids are generally in order.
- 22.2 Arithmetical errors will be rectified on the following basis. If there is a discrepancy between the unit price and the total price that is obtained by multiplying the unit price and quantity, the unit price shall prevail. If there is a discrepancy between words and figures, the amount in words will prevail. The total price shall be corrected accordingly. If the bidder does not accept the correction of the errors, its bid will be rejected.
- 22.3 Prior to the detailed evaluation, pursuant to Para 23, the OMFED will determine the substantial responsiveness of each bid to the bidding documents. For purposes of these clauses, a substantially responsive bid is one, which conforms to all the terms

and conditions of the bidding documents without material deviations. The OMFED'S determination of a bid's responsiveness is to be based on the contents of the bid itself.

22.4 A bid determined as not substantially responsive will be rejected by the OMFED.

22.5 The OMFED may waive any minor informality or non-conformity or irregularity in a bid, which does not constitute a material deviation, provided such waiver, does not prejudice or affect the relative ranking of the Bidder.

23.0 Evaluation and Comparison of Bids

23.1 The OMFED will evaluate and compare the bids previously determined to be substantially responsive, pursuant to Para 22. However, bidders are allowed the option to offer discounts. The discounts will be taken into account in the evaluation of bids so as to determine the bid offering the lowest evaluated cost for the OMFED in deciding award.

23.2 The comparison shall be on FOR site basis, (such price to include all costs as well as duties and taxes paid or payable on components and raw material incorporated or to be incorporated in the goods and GST payable on finished goods offered).

23.3 The OMFED'S evaluation of a bid will take into account, in addition to the bid price and the cost of services, the following factors:

- (a) Cost of inland transportation, insurance and other costs incidental to delivery of the goods to their final destination including excise duty;
- (b) Delivery schedule offered in the bid;
- (c) The cost of components, spare parts and service;
The availability in India of spare parts and after sales services for the WATER BOTTLING PLANTS offered in the bid;
- (d) Deviation in payment schedule from that specified in the special conditions of contract;
- (e) The quality and adaptability of the WATER BOTTLING PLANTS offered.

24.0 Contacting the OMFED

24.1 No Bidder shall contact the OMFED on any matter relating to its bid, from the time of the bid opening to the time the contract is awarded, unless invited by the OMFED for discussions / clarifications.

24.2 Any effort by a bidder to influence the OMFED in the OMFED'S bid evaluation, bid comparison or contract award decisions shall result in the rejection of the Bidder's bid.

F. AWARD OF CONTRACT

25.0 Post-qualification

25.1 In the absence of pre-qualification, the OMFED will determine to its satisfaction whether the bidder selected as having submitted the lowest evaluated responsive bid is qualified to satisfactorily perform the contract.

25.2 The determination will take into account the Bidder's financial, technical and production capabilities. It will be based upon an examination of the documentary evidence of the bidder's qualifications submitted by the bidder, as well as such other information as the OMFED deems necessary and appropriate including details of experience and records of past performance. The OMFED may also inspect the works of the bidder to satisfy itself regarding the capability of the bidder.

25.3 An affirmative determination will be a prerequisite for award of the contract to the Bidder. A negative determination will result in rejection of the Bidder's bid, in which event; the OMFED will proceed to the next lowest evaluated bid to make a similar determination of that Bidder's capabilities to perform satisfactorily.

26.0 AWARD CRITERIA

The OMFED will consider award of contract to the successful bidder whose bid have been determined to be substantially responsive and have been determined as the

lowest evaluated bid, pursuant to Para 23 and 25 & who is determined to be qualified to satisfactorily perform the contract.

27.0 OMFED'S RIGHT TO VARY QUANTITIES AT TIME OF AWARD.

The OMFED reserves the right to increase or decrease the quantity of goods and services specified in the schedule of requirements without any change in unit price or other terms and conditions.

28.0 OMFED'S Right to Accept Any Bid and to reject Any or All Bids

The OMFED reserves the right to accept or reject any bid, and to annul the bidding process and reject all bids at any time prior to award of contract, without thereby incurring any liability to the affected bidder or bidders or any obligation to inform the affected bidder or bidders of the grounds for the OMFED'S action.

29.0 Notification of Award

29.1 Within the period of bid validity, the OMFED will notify the successful bidder in writing by registered letter or by mail / telex/ fax, (to be confirmed in writing by registered letter) that its bid has been accepted.

29.2 The notification of award will constitute the formation of the contract.

29.3 Upon the successful bidder's furnishing of performance security, the OMFED will promptly notify each unsuccessful bidder and will discharge its bid security.

2. APPLICATION

These general conditions shall apply to the extent that they are not superseded by provisions in other parts of the contract.

3. STANDARDS

The goods supplied under this contract shall conform to the standards mentioned in the technical specifications, and, when no applicable standard is mentioned, to the Indian standards.

Wherever reference is made in the contract to the respective standards and codes in accordance with which goods and materials are to be furnished, and work is to be performed or tested, the provisions of the latest current edition or revision of the relevant standards and codes in effect on the date of signing of agreement shall apply, unless otherwise expressly set forth in the contract.

4. Use of Contract and Information

- 4.1 The contractor shall not, without the OMFED'S prior written consent, disclose the contract, or any provision thereof, or any specification, plan, drawing, pattern, sample or information furnished by or on behalf of the OMFED in connection therewith, to any person other than a person employed by the contractor in the performance of the contract. Disclosure to any such employed person shall be made in confidence and shall extend only so far as may be necessary for purposes of such performance.

- 4.2 The contractor shall not, without the OMFED'S prior written consent, make use of any document or information enumerated in para.4.1 except for purposes of performing the contract.
- 4.3 Any document, other than the contract itself, enumerated in Para. 4.1 shall remain the property of the OMFED and shall be returned (in all copies) to the OMFED on completion of the contractor's performance under the contract if so required by the OMFED.

5. PATENT RIGHTS

The contractor shall indemnify the OMFED against all third-party claims of infringement of patent, trademark or industrial design rights arising from use of the goods/services or any part thereof in India.

6.0 PERFORMANCE SECURITY

- 6.1 Within 15 days of the contractor's receipt of notification of award of the contract, the contractor shall furnish **performance security to the OMFED in the amount of 10% of the contract value, in accordance to clause 31 of the instruction to bidders.**
- 6.2 The proceeds of the performance security shall be payable to the OMFED as compensation for any loss resulting from the contractor's failure to complete its obligations under the contract.
- 6.3 The performance security shall be denominated in Indian rupees and shall be in the following form:
- a) A Bank guarantee, issued by a Nationalised / scheduled Bank in India, and in the form provided in the bidding documents.

12.2 Prices charged by the contractor for the preceding incidental services are to be included in the price of the contract.

13. Spare parts

The contractor may be required to provide any or all of the following materials and notifications pertaining to spare parts manufactured or distributed by the contractor: Such spare parts as the OMFED may elect to purchase from the contractor, provided that this election shall not relieve the contractor of any warranty obligations under the contract.

14. Warranty / guarantee

14.1 The contractor warrants that the goods supplied under the contract are new, unused, of the most recent or current models and incorporate all recent improvements in design and materials unless provided otherwise in the contract. The contractor further warrants that the goods supplied under this contract shall have no defect arising from design, material of workmanship or from any act or omission of the contractor that may develop under normal use of the supplied goods in the conditions. The contractor also guarantees that the goods supplied shall perform satisfactorily as per the designed/rated/ capacity as provided for in the contract.

14.2 This warranty / guarantee shall remain valid for 12 months after the goods have been delivered & handed over to the OMFED.

14.3 The OMFED shall promptly notify the contractor in writing of any claims arising under this warranty.

- 14.4 Upon receipt of such notice, the contractor shall, with all reasonable speed, repair or replace the defective goods or parts thereof, without costs to the OMFED.
- 14.5 If the contractor, having been notified, fails to remedy the defects(s) within a period of 30 days, the OMFED may proceed to take such remedial action as may be necessary, at the contractor's risk and expense and without prejudice to any other rights which the OMFED may have against the contractor under the contract.
- 14.6 This warranty/ guarantee shall not cover any damage/s resulting from normal wear and tear or improper handling by the OMFED or his authorised representatives.

15. Terms of payment :

70% Payment after safe arrival of materials at site. **20%** after installation, commissioning & trial run of the equipments and successful commercial production of water bottles.

All payments are subject to deduction of statutory dues as applicable.

PSD @10% of the work order value shall be retained & shall be released after one year from the date of handing over subject to satisfactory performance. PSD can be released during retention period against equivalent amount of Bank guarantee.

16. Fixed prices

Prices charged by the contractor for goods delivered and services performed under the contract shall not, vary from the prices quoted by the contractor in its bid.

17. Change orders

- 17.1 The OMFED may, at any time, by a written order given to the contractor, pursuant to clause 31, make changes within the general scope of the contract in any one or more of the following:

- (a) Drawings, designs or specifications, where goods to be furnished under the contract are to be specifically manufactured for the OMFED;
- (b) The method of shipment or packing;
- (c) The place of delivery; or
- (d) The services to be provided by the contractor.

- 17.2** If any such change causes an increase or decrease in the cost of, or the time required for, the contractor's performance of any part of the work under the contract, whether changed or not changed by the order, an equitable adjustment shall be made in the contract price or delivery schedule, provided that such claims by contractor are reasonable & to the satisfaction of the OMFED. Any claims by the contractor for adjustment under this clause must be asserted within thirty (30) days from the date of the contractor's receipt of the OMFED's change order.

18. Contract Amendment

No variation in or modification of the terms of the contract shall be made except by written amendment signed by the OMFED.

19. Assignment

The contractor shall not assign, in whole or in part, its obligations to perform under the contract, except with the OMFED'S prior written consent.

20. Subcontracts

The contractor shall notify the OMFED in writing of all subcontracts awarded under the contract if not already specified in his bid, such notification, in his original bid or later, shall not relieve the contractor from any liability or obligation under the contract.

21.0 Delays in the contractor's performance

- 21.1 Deliveries of the goods and performance of services shall be made by the contractor in accordance with the time schedule specified by the OMFED, in Section –I of the bidding documents.
- 21.2 An unexcused delay by the contractor in the performance of its delivery obligations shall render the contractor liable to any or all of the following sanctions: - forfeiture of its performance security, imposition of liquidated damages, and or termination of the contract for default.
- 21.3 If at any time during performance of the contract, the contractor or its subcontractor(s) should encounter conditions impeding timely delivery of the goods and performance of services. The contractor shall promptly notify the OMFED in writing of the fact of the delay, its likely duration and its cause (s). As soon as practicable after receipt of the contractor's notice, the OMFED shall evaluate the situation and may at its discretion extend the contractor's time for performance, in which case the extension shall be notified to the contractor by amendment of the contract.

22.0 Time for completion

Subject to any requirement in the contract as to completion of any section of the works before completion of the whole, the whole of the works shall be completed, within the time stated in section–I of the bidding documents or such extended time as may be allowed under clause 23 hereof.

23.0 Extension of Time of Completion

Should the amount of extra or additional work of any kind or any cause of delay referred to in these conditions, or exceptional adverse climatic conditions, or other special circumstances of any kind whatsoever which may occur, other than through a default of the contractor, be such as fairly to entitle the contractor to an extension of time for the completion of the works. OMFED shall determine the amount of such extension and shall notify the contractor accordingly. Provided that the OMFED is not bound to take in account any extra or additional works or other special circumstances unless the contractor has within thirty days after such work has been commenced, or such circumstances have arisen, or as soon thereafter as is practicable, submitted to the engineer full and detailed particulars of any extension of time to which he may consider himself entitled in order that submission may be investigated at the time.

24.0 Penalty for Delay

- 24.1 If the contractor shall fail to achieve completion of the works within the specified time, then the contractor shall pay to the OMFED the sum at the rate of 0.5 % (half percent) of the total value of work done under the contract, as a penalty, for every week or part of the week which shall elapse, between the time prescribed & the date of certified completion of the work. The OMFED may without prejudice to any other method of recovery, deduct the amount of such penalty from any payment in its hands, due or which may become due to the contractor. The payment or deduction of such penalty shall not relieve the contractor from obligations to complete the works, or from any other of his obligations and liabilities under the contract.

- 24.2 The aggregate maximum of the penalty for delay payable to the OMFED under this clause shall be subject to a maximum of 5 % of the total value of work.
- 24.3 The criteria for deriving the penalty for delay shall be the actual value of works executed and the amended time of completion.
- 24.4 Any incremental taxes and levies due to the delay in the performance of the contract by the contractor shall be to the contractor's account.

25. Termination for default

- 25.1 The OMFED may, without prejudice to any other remedy for breach of contract, by written notice of default sent to the contractor, terminate the contract in whole or in part,
- (a) If the contractor fails to delivery an or all the goods within the time period (s) specified in the contract, or any extension thereof granted by the OMFED pursuant to clause 17, 21, & 22;
Or
- (b) If the contractor fails to perform any other obligation(s) under the contract.
- 25.2 In the event the OMFED terminates the contract in whole or in part, pursuant to Para. 25.1, the OMFED may procure, upon such terms and in such manner, as it deems appropriate, goods similar to those undelivered, and the contractor shall be liable to the OMFED for any excess costs for such similar goods. However, the contractor shall continue performance of the contract to the extent not terminated.
- 25.3 Consequent to such termination of contract, the OMFED shall recover the advance paid, if any, to the contractor along with interest @ 18 % per annum compounded quarterly on the last day of March, June, September and December on the advance paid for the entire period for which the advance was retained by the contractor.

26. Force Majeure

- 26.1 Notwithstanding the provisions of clauses hereof, the contractor shall not be liable for forfeiture of its performance security, liquidated damages or termination for default, if and to the extent that, its delay in performance or other failure to perform its obligations under the contract is the result of an event of force majeure.
- 26.2 For purposes of this clause, "force majeure" means an event beyond the control of the contractor and not involving the contractor's fault or negligence and not foreseeable. Such events may include, but are not restricted to, acts of the OMFED either in its sovereign or contractual capacity, wars or revolutions, fires, floods, epidemics, quarantine restrictions and freight embargoes.
- 26.3 If a force majeure situation arises, the contractor shall notify the OMFED in writing of such condition and the cause thereof, within 7 days. Unless otherwise directed by the OMFED in writing, the contractor shall continue to perform its obligations under the contract as far as is reasonably practical, and shall seek all reasonable alternative means for performance not prevented by the force majeure event.

27.0 Termination for Insolvency

The OMFED may at any time terminate the contract by giving written notice to the contractor, without compensation to the contractor, if:

- (a) The contractor becomes bankrupt or otherwise insolvent,

- (b) The contractor being a company is wound up voluntarily by the order of a court receiver, liquidator or manager appointed on behalf of the debenture holders or circumstances shall have arisen which entitle the court or debenture holders to appoint a receiver, liquidator or a manager,
Provided that such termination will not prejudice or affect any right of action or remedy which has accrued or will accrue thereafter to the OMFED.

28.0 Termination for Convenience

- 28.1 The OMFED, may by written notice sent to the contractor, terminate the contractor, in whole or in part, at any time for its convenience. The notice of termination shall specify that termination is of the OMFED'S convenience, the extent to which performance of work under the contract is terminated, and the date upon which such termination becomes effective.
- 28.2 The goods that are complete and ready for shipment within 30 days after the contractor's receipt of notice of termination shall be purchased by the OMFED at the contract terms and prices. For the remaining goods, the OMFED may elect:
- (a) To have any portion completed and delivered at the contract terms and prices; and /or
- (b) To cancel the remainder and pay to the contractor an agreed amount for partially completed goods and for material and parts previously procured by the contractor.

29.0 Settlements of Disputes

- 29.1 If the contractor considers any work demanded of him to be outside the requirements of the contract, or considers any drawings, record or ruling of the engineer on any matter in connection with or arising out of the contract or the carrying out of the work to be unacceptable, he shall promptly ask the engineer in written instructions or decision. There upon the engineer shall give his written instructions or decision within a period of fifteen days of such request.
- 29.2 Upon the receipt of the written instructions or decisions the contractor shall promptly proceed without delay to comply with such instructions or decisions.
- 29.3 If the engineer fails to give his instructions or decisions in writing within a period of fifteen days after being requested, or if the contractor is dissatisfied with the instructions and decisions, he shall appeal to the OMFED, which shall afford an opportunity to the contractor to be heard and to offer an evidence in support of his appeal. The OMFED shall give a decision within a period of thirty days after the contractor has given the said evidence in support of his appeal.
- 29.4 If the contractor is dissatisfied with this decision, the contractor within a period of thirty days from the receipt of the decisions shall indicate his intension to refer the dispute to arbitration, failing which the said decision shall be final and conclusive.

30.0 Arbitration

All disputes or differences in respect of which the decision is not final and conclusive shall, on the initiative of either party, be referred for adjudication as per the Arbitration And Conciliation Act 1996

31.0 Applicable law

The contract shall be interpreted in accordance with the laws of the union of India.

32. Notices

- 32.1 Any notice given by one party to the other pursuant to the contract shall be sent in writing or by telegram/ fax/ cable and confirmed in writing to the address specified for that purpose in the special conditions of contract.
- 32.2 A notice shall be effective when delivered or on the notice's effective date, whichever is later.

33.0 Taxes and Duties

The contractor shall be entirely responsible for all taxes, duties, license fees etc. incurred until handing over of the contractor goods and services to the OMFED. All Government fees paid for inspections and approvals by statutory authorities shall be reimbursed by the OMFED on production of copy of treasury Challan for same. Service charges for depositing the govt. fees or submission of requisite forms with the statutory authorities shall be not being admissible.

33.0 Right of use defective WATER BOTTLING PLANT

If after handing over of the WATER BOTTLING PLANT and within the guarantee and warranty period, the operation or use of the WATER BOTTLING PLANT proves to be unsatisfactory, OMFED shall have the right to continue to operate or use such WATER BOTTLING PLANT until rectifications of defects errors or omissions by repair or partial or complete replacement is made, without interfering with the OMFED's operation.

35.0 Jurisdiction

For the settlement of any dispute arising out of the contract against this bid, only the courts at Bhubaneswar shall have jurisdiction to entertain for adjudication.

TECHNICAL SPECIFICATIONS :

1. Fully Automatic Bottle Filling machine - 60 BPM

Machine Description: Rotary Rinsing, Filling & Capping Machine

- Air Blower S.S
- Input Air Blower Conveyor 8 Ft, Out Put 20 Ft Conveyor
- Acrylic Cover With S.S Structure Of Section
- Shrink S.S Tunnel Machine
- Capping Unit Should Be Elevator - Ground mounted
- Hopper storage capacity 1500 Caps
- S.S Inspection Box With Light And Glass - 2 Feet length & 18" Inch width
- Operating Panel HMI PLC Type - Programming Logic control PLC
- **BOTTLE RINSER**
- The machine will have 12 Rinsing Nozzles.
- The automatic rinse rotor has spring loaded grippers mounted radically which pick up bottles one by one from the in feed transfer rotor. The bottle is inverted against a lever on the rinse valve to start the rinsing operation. Thus we have NO BOTTLE – NO RINSE. Bottles are washed for up to three seconds each, before draining (for removal of residual water) and up righting for transfer to the filling rotor. The rinsing medium is generally product water.
- Rinsing Pressure Inter lock (If Rinsing water pressure is low machine gives indication and machine will gets stop)

BOTTLE FILLER:

- The Filling tank will have 12 Nos filling Valves
- The internationally accepted and approved VENT PIPE filling principle should ensure accurate level filling without spillage. The filling accuracy should be +- 5ml.
- The fill tank level should be automatically regulated automatically by a PLC controlled electronic probe
- Filling tank level sensor (If machine filling tank level is high filling pump will get automatically stop and If machine filling tank low machine gives indication and machine will gets stop.)

BOTTLE CAPPER:

- This section will have 6 Nos of Capping Head
- After completion of the filling operation, bottles will be transferred to the capping rotor by the out cap picking rotor, the bottles necks will pick up caps. with No bottle no cap arrangement

SALIENT FEATURES :-

- Neck Holding on Transfers
- Light on Inspection Box
- Machine Operating Panel Drive, Motor, Gear Box
- All Liquid contact parts should be of SS 316
- SS frame work and door should be of acrylic

4. FULLY GROUP SHRINK MACHINE

Industry	Mineral Water.
Product	Bottles Without Tray
Film	Shrink Ldpe Rolls.
Output	10-12 Packs/Min.
Maximum Pack Size	450x300x350mm (L x w x h).

- The Automatic shrink wrapping System will be suitable to accept your pack of bottles from 200ml to 1000 ml arranged in the required matrix without the use of bottom tray.
- The maximum pack size will be 450 x 300 x 350mm (L x W x H)
- The machine shall have an output of 10-12 packs/minute.

The machine shall consist mainly of three sections.

1. Bottle collator having assembly such as feeding conveyor, stopper & front pusher.
2. Film unwinding and Sealer for product wrapping
3. Shrink Tunnel and Cooling zone.

PRODUCT COLLATOR CUM PUSHER:

- The feeding conveyor can be linked with labelling machine through dead plate or turn table (provided by you).
- A feeding conveyor will carry the bottles up to the Collation area where the bottles will be collated/arranged in the pre define required matrix for particular sizes.
- The length of the conveyor shall accommodate 10 to 15 bottles at a time. The conveyor shall be PVC belt with the necessary guiding and tensioning arrangement.
- The motion of the conveyor shall be intermittent with the help of an AC motor clutch & Break.
- The necessary adjustable side guide shall be provided for various sizes of bottles.
- The Pneumatic stopper or single line arrangement shall be provided to collate the bottle in a single row. The necessary sensor shall be provide to count the sensor.
- A Pneumatic front pusher cum stopper system shall be provided in front of sealer for collation and feeding the collated bottles into wrapper where the film is wrapped around the product.

FILM WRAPPER CUM SEALER:

- The Film wrapper cum sealer consists Top and Bottom film Unwinding system (Motorized) Sealer with Product Holder.
- The pack which is transferred from the feeding table to wrapper conveyor carries the film along with it.

TOP AND BOTTOM FILM UNWINDING SYSTEM :

- High speed Motorized Film Unwinding system shall be provided to unwind adequate amount of film required during wrapping & sealing.
- It should consist of pair of rotating roller having a side guide for film roll.
- A film guide roller and plastic guide bush shall be provided so that the film can be adjusted in the centre.
- The photocell sensor and dancing arm mechanism shall be provided which ensure an availability of tension free unwinded film during sealing operation.

SEALER WITH PRODUCT HOLDER:

- The sealer should consist of front top & bottom sealing jaw.
- The width of sealing arm is 700mm.
- The top sealing jaw will have a continuous heated sealing knife (knife) for cutting and sealing of film. The temperature of the sealing head shall be controlled with help of a Temperature Controller (Continuous Heating). The necessary air cooling arrangement for the sealing head will be provided.
- The bottom sealing jaw will have silicon rubber for better sealing. The cooling air arrangement for sealing shall be provided for better sealing strength.
- The product holder shall be provided behind the sealing arm to hold the pack during sealing and cutting operation.
- The height of product holder can be adjusted with the help of locking bush provided on the guide or slide rod of holder.
- The push of the next pack transfers the bottles onto the Shrink Tunnel Conveyor Belt.

SHRINK TUNNEL:

- The Shrink Tunnel shall be fabricated from Mild Steel structural with Mild steel panelling duly primed and painted.
- The design of the machine shall be suitable to accept pack of maximum size 450 x 325 x 325 mm (L x W x H).
- The Shrink Tunnel shall consist of a Heating chamber, which shall be well insulated with 3” Rockwool & 1” cerawool to reduce loss of heat.
- The Heating chamber shall also have a top mounted Blower to blow temperature controlled Hot Air onto the product. The blower shall be made from aluminum casting duly balanced for high RPM. The blower will recirculation the air with in the chamber only so that power consumption is less.
- The Air inside the chamber shall be heated with the help of U -Shaped Heaters.
- The heater will be wired in a such a way that minimum energy will be consumed.
- An Electronic Temperature controller shall be mounted for accurate control of temperature between 0°C to 250°C.
- The Shrink Tunnel also consists of a chain conveyor linked with high carbon MS Mesh. The conveyor motion shall be of linear motion. The conveyor shall be driven by a AC GEARED MOTOR. The speed variation of the conveyor can be to achieve by AC drive for ensuring a proper shrinkage of film.
- A top and bottom cooling fan shall be provided at the exit end to ensure a tight wrap.
- The necessary idle conveyor OR collection plate shall be given for easy temporary collection.

CONTROL PANEL:

- An aesthetic control panel made from Mild steel shall be fitted alongside the machine.
- The Programmable logic controller shall be provided for the control of the sequence of operation. The sequence of operations of the machine shall be suitably interlocked for.
- optimum safety.
- The necessary reed switch, inductive switch shall be provided for the position of the various cylinders.
- The fault of sequence shall be displayed on the sequential controller for operator.
- All the components used like contactors, relays, rotary switches, timer, limit switches shall be of reputed makes and shall have capacities taking into consideration the safety factor of the worker and the machine.
- All the parameters of the system shall be controlled by the Panel.

ACCEPTABLE FORM OF BANK GUARANTEE

Proforma of Bank Guarantee for Bid Security On Non-Judicial Stamp Paper of Rs.100/-

Bank Guarantee no.

Date:

This deed of guarantee made this _____ day of 20_____ (Two thousand and _____) by (Name and address of the Bank), hereinafter referred to as the Bank, which shall unless repugnant to the context or the meaning thereof includes its legal representatives, successors and assigns and the ORISSA STATE CO-OPERATIVE MILK PRODUCERS' FEDERATION LTD. (hereinafter referred to as the OMFED) which expression shall be unless repugnant to the context or meaning thereof include its legal representative, successors or assigns.

Whereas the OMFED has invited bids for the supply, installation, testing, commissioning, trial run and guaranteeing of the proposed _____

_____ by the tender notice reference no. _____ .

AND WHEREAS M/S _____

_____ (Name and the address of the bidders) who having submitted their bids (hereinafter referred to as the Tender) and have agreed to deposit to the OMFED an amount indicated in the tender notice as per the terms and conditions of the bidding documents. AND WHEREAS the OMFED is also willing to accept a Bank guarantee in lieu of payment by demand draft of any amount equivalent to the amount of bid security required to be deposited by the bidder to the OMFED which guarantee shall be kept valid for 120 days after the day of the opening of the bids.

In consideration of the OMFED having agreed to consider the bid proposals having submitted by the bidder without depositing the amount of bid security and against this Bank guarantee, we (name and the address of the Bank) hereby undertake and guarantee to make payment to the OMFED the amount of bid security or any part thereof not deposited by the bidder to the OMFED at any time (time being the essence of the Contract) when the OMFED asks for the same as per the terms and conditions of the bidding documents within 120 days from the date of opening of the bids.

The Bank further undertakes not to revoke this guarantee during its currency except with the previous consent of the OMFED in writing and the guarantee shall be continuous and irrevocable guarantee up to a sum of Rs.------(Rupees-----only) provided always that any indulgence or forbearance on the part of the OMFED to the said bidder. With or without the consent of the Bank shall not prejudice or restrict remedies against the bank nor shall the same in any event be a ground of defense by the Bank against the OMFED.

In case the OMFED puts forth a demand in writing on the Bank for the payment of the amount in full or in part against this Bank Guarantee, the Bank will consider that such demand by itself is a conclusive evidence and proof that the bidder has failed in complying with the terms and conditions stipulated by the OMFED in its bidding document and payment will be made to the OMFED without raising any disputes regarding the reasons for such failures on the part of the bidder.

The Bank shall not be discharged or released from this guarantee by any arrangement between the bidder and the OMFED with or without the consent of the Bank or any alternations in the obligations of the parties or by an indulgence, forbearance shown by the OMFED to the bidder.

This guarantee shall be in addition to and without prejudice to any other securities or remedies which the OMFED may have or hereafter possess against the bidder and the OMFED shall be under no obligations to marshal in favour of the Bank any such securities or fund or assets that the OMFED at its absolute discretion may vary, exchange, renew, modify or refuse to complete or enforce or assign any security or instrument.

The Bank agrees that the amount hereby guaranteed shall be due and payable to the OMFED on OMFED's serving with a notice requiring the payment of the amount and such notice shall be served on the Bank either by actual delivery thereof to the Bank or by dispatching thereof by to the Bank by registered post at the address of the said Bank. Any notice sent to the Bank at its address by registered post shall be deemed to have been duly served on the Bank notwithstanding that the notice may not in fact have been delivered to the Bank.

In order to give full effect to the provisions of this guarantee the Bank thereby waives all rights inconsistent with the above provisions and which the Bank might otherwise as a guarantor be entitled to claim and enforce.

The guarantee shall remain in force until-----and unless the guarantee is renewed or a claim is preferred against the bank within three months from the said date all rights of the OMFED under this guarantee shall cease and the bank shall be released and discharged from all liabilities hereunder.

Notwithstanding anything contained here before, our liability under this guarantee is restricted to Rs. ----- (Rupees----- only) being the amount of the Bid security and it shall remain in force until-----.
