OMFED

CONTRACTOR

iii) The presentation is a part of the technical evaluation. The bidders who satisfy the eligibility criteria shall qualify for presentation and will be intimated the date, time and venue of such presentation at an appropriate date.

b. FINANCIAL EVALUATION (2nd Stage):

The financial proposals of the bidders qualifying the technical evaluation (1st Stage) only shall be opened at this stage in the presence of the bidder's representative who wishes to attend the meeting with proper authorization letter. The name of the bidder along with the quoted financial price will be announced during the meeting.

Evaluation Process:

c. Technical Scoring:

In the first stage, the Technical Proposal will be evaluated based on the parameters stated above. For each Technical Proposal, the total points that can be awarded for each Bidder are 100, and the minimum technical score (T) that a Bidder requires to qualify for opening of the Financial Proposal is 80.

The highest evaluated Technical Proposal (Th) shall be given maximum Technical Score (St) of 100. The formula for determining the Technical Scores (St) of all other proposals is calculated as following:

$St = 100 \times T / Th$

in which "St" is the Technical Score, "Th" is the highest Technical Score given, and "T" is the Technical Score of the proposal under consideration.

d. Financial Scoring:

The financial proposals of the bidders qualifying the technical evaluation (1 st Stage) only shall be opened at this stage in the presence of the bidder's representative who wishes to attend the meeting with proper authorization letter. The name of the bidder along with the quoted financial price will be announced during the meeting.

The lowest evaluated financial proposal (Fm) will be given a maximum financial score of 100 points. The formula for determining the financial scores of other proposals will be computed as follows:

$Sf = 100 \times Fm / F$

in which "Sf" is the financial score, "Fm" is the lowest price, and "F" the price of the Proposal under consideration.

e. Combined Scoring:

Proposals shall be ranked according to their combined technical (St) and financial (Sf) scores using the weights (Tw = the weight given to the Technical Proposal (0.8); Pw = the weight given to the Financial Proposal (0.2); T + P = 1) as following:

OMFED

CONTRACTOR

S = St x Tw + Sf x Pw,

The Selected Applicant shall be the First Ranked Applicant (having the highest combined score). The Second and third Ranked Applicant shall be kept in reserve and may be invited for negotiations in case the first ranked Applicant withdraws or fails to comply with the requirements specified in this document.

Award of Contract:

After completion of the contract negotiation stage, the OMFED will notify the successful bidder in writing by issuing an offer letter for signing the contract and promptly notifying all other bidders about the result of the selection process. The successful bidders will be asked to sign the contract after fulfilling all formalities within 15 days of issuance of the offer letter. After signing of the contract, no variation or modification of the terms of the contract shall be made except by written amendment signed by both the parties. The contract will be prepared with mutual discussion and approved by OMFED before execution.

All other terms and conditions of the tender remain same.
